

We are coordinating hospitality and rides in conjunction with both Scottish Pinewoods sessions. We need to know both those who need hospitality/rides and those who can offer them. If you did not sign up for either of these when you filled out the original forms, please send email to pinewoods-rides@weebluets.org.

If you need a ride or hospitality please provide the following information:

If you are arriving in Boston by plane, train or bus, we will try to have someone pick you up at your arrival location unless it is rather late. If you will be later, there are commuter trains that run from South Station to Plymouth (see www.mbta.com and find the Kingston/Plymouth line) and buses run by the Plymouth & Brockton Street Railway Co. (<https://www.p-b.com>). This goes from Logan Airport and picks up passengers at each terminal, downstairs outside baggage claim in the "Scheduled Buses" orange area.

If you will need a ride or hospitality, please provide the following information:

- Your name(s)
- Do you need a ride and/or hospitality?
- Which session(s) will you be attending?
- How many people and how much luggage?
- Contact information: email and cell phone
- When and where you will need a ride and/or hospitality? (Arrival locations are generally, the airport, one or another train station, or bus, but this also might be wherever you are staying the night before)
- Did you agree to a camp job on the afternoon you are arriving or do you have other time constraints?

If you can provide either a ride or hospitality, please provide the following information:

- Your name
- Are you offering a ride and/or hospitality?
- How many people can you accommodate and how much luggage?
- Contact information: email and cell phone
- When and where can you offer your ride/hospitality?
- Did you agree to a camp job on the afternoon you are arriving or do you have other time constraints?

Generally, we arrange for departure rides once we get to Pinewoods, but if you have particularly challenging departure plans, please include that information as well.

Karen Sollins (rides)

John Crabtree (hospitality)
