

Pinewoods Scottish Sessions 2021 : Party Planner

A note from the Co-Chairs: This year, the number of campers is lower than in previous years. Our number of volunteers has also dwindled significantly. If you would like to volunteer for a large role, we still have many big jobs to fill. Contact the co-chairs if you're interested!

Party Snacks - We know that for some, typical communal party snacks might be unappealing this year. With fewer campers, our budget is also smaller than usual. The co-chairs will have a very small supply of single serve chip bags on hand at parties, however we highly encourage anyone nervous about typical offerings to bring spending money for the camp store (you're supporting pinewoods at the same time!), or bring their own snacks and drinks.
