RSCDS Boston Branch

Scottish Session I: Friday, July 9 – Monday, July 12

Scottish Session II: Monday, July 12 – Saturday, July 17

The Boston Branch of the Royal Scottish Country Dance Society presents the 57th annual Scottish dance program at Pinewoods Camp, near Cape Cod. Dancers, teachers, and musicians work, play, and relax at one of the most beautiful dance camps in the country.

About Pinewoods Camp

Pinewoods is located in the Myles Standish State Forest, near Plymouth, Massachusetts. Classes and evening dances are held in wooden-floored, open-sided pavilions. There are two ponds that offer swimming, canoeing, and a chance of viewing wildlife. Housing is in small, screened cabins and meals are served in an open-sided dining hall overlooking Long Pond. Shared modern bathroom and shower facilities are available at camp. Campers provide bed linen and towels and all are asked to help with chores such as sweeping the dance floors, setting the tables, and clean-up.

Classes

- Basic:** Instruction and review of footwork and basic figures
- Intermediate:** Attendees are expected to know ALL basic steps and figures. The aim of the class is to improve personal technique and to add more complicated formations to the dancer's repertoire.
- Advanced:** Attendees are expected to know ALL basic steps and figures as well as many of the more complicated ones. The aim of the class is to polish individual technique with continuing emphasis on teamwork, phrasing, covering, etc.
- Experienced Social:** Expansion of repertoire for experienced dancers
- Teacher's Choice:** For intermediate and advanced dancers
- Technique & Critique:** An opportunity to improve your personal style and level of dancing with individual critique.
- Tonight's Easy Dances:** Review of the easier dances – for basic dancers
- Tonight's Tricky Dances:** Review of the more challenging dances - for experienced dancers
- Highland Dance:** Class will present the athletic, traditional Scottish Highland dances
- Ladies' Step:** Men are welcome to attend as the dances will not be gender specific. This style of dance is lower impact than Highland and is great for working on balance and control.
- Music:** Open to melody and chord instrument players alike, participants will learn to play tunes in traditional style by ear (without sheet music). This presents a great opportunity for all musicians to collaborate with our guest fiddlers while learning some of the finer nuances of Scottish styling. This year, we will also be offering slow jams.
- Yoga:** A restorative class designed to keep our bodies and minds dancing. Bring a yoga mat and belt (blanket and bathrobe tie are OK).
