

ABOUT "SUMMER'S END"

This was the name of a similar weekend event held at Hillsboro Camp in Hillsboro, NH starting in the 1980's. It was succeeded in 1995 in the same location by a weekend called "Hillsboro Highlands." When the camp closed to outside groups, the event was moved to Contoocook, NH and renamed as "New Hampshire Highlands." With the move to Vermont, we're returning to the original name of the weekend.

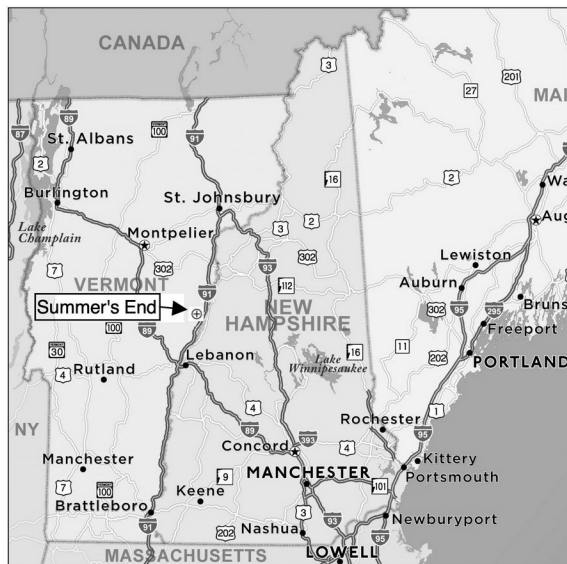

New location:

Hulbert Outdoor Center, run by the Aloha Foundation, is located in Fairlee, VT, minutes from Interstate 91.

We have chosen it because of available dance spaces, with well-maintained floors, and also because of its reasonably priced accommodations.

Covid policies:

All participants are expected to be fully vaccinated and boosted consistent with medical advice. Same-day, negative test results required upon arrival. Masks must be worn for all indoor activities. See website.
