

Finally the themes are here!  
The over reaching theme for camp this year is

## **"Dance your heart out!"**

With all themes pertaining to a dance title.

### **Session 1:**

#### Friday after party : Ferla Mor!

Are you feeling haunted by the ghost of Miss Milligan? Come on down to the Haunted camp house, where ghosts and ghouls will be keeping the party going into the wee hours. Come as your favorite Scottish ghost, or scary movie character, or anything else that goes bump in the night!

#### Saturday Evening Ball: Flowers of Edinburgh

#### Sunday Tea Party: Machine Without Horses

Join us for a Steam Punk Tea Party! Think Victorian with a science fiction twist. Top hats, goggles, gears, lace parasols, time machines, 10,000 leagues under the sea, and journey to the center of the Earth.

### **Session 2**

#### Monday after Party : Black Leather Jig!

Where do all the bad to bonnet bikers go after a night of Scottish dancing? They ride their Harleys down to the camp house watering hole, Seann Truibhas Willie's! A dive bar with punk rockers, delinquents, floozies, and fun!

#### Tuesday after party: St. Andrew's Fair

Come to the county fair for a night of root beer/Guinness floats and games! Try your luck at some carnival games, or bring a game to play with your friends!

#### Friday Evening Ball: Whisp of Thistle

As always, costumes for parties are optional, not required. Ball themes are more geared towards decor, you are welcome to dress to the theme if desired, but traditional Ball attire is customary. Can't wait to see you all at camp!
